Making Better Decisions Together

Making decisions as a group can sometimes be a difficult process. Join the **Mid-Atlantic Regional Public Health Training Center** to learn how to make your coalitions and group outcomes more successful. We will discuss how group culture and values influence decision-making. We will also review guidelines to center voices in group decisions, as well as cover consensus versus consent. Gain new skills to avoid pitfalls like groupthink and equip yourself with tools for scoping and decision-making process selection to boost your group's impact.
